Attachment: Replacement Sheet

REMARKS/ARGUMENTS

The drawings have been amended as required by the Examiner. Reference numeral 10 has been added to Fig. 1.

The claims have been amended to address the Section 112 issues raised by the Examiner. The changes required by the Examiner have been made, along with other changes to address issues not specifically identified by the Examiner.

The Examiner has indicated that claims 5-7, 13-16, 20 and 21 would be allowable if rewritten to overcome the Section 112 rejections and to include all of the limitations of the base claim and any intervening claims. These claims have been so amended. Claims 5, 6, 13 and 20 are now independent. The remaining pending claims have been amended as necessary so that all claims depend from one of the four independent claims. Claims 1-4, 10, 11, 17, 19, 25 and 26 have been cancelled.

In view of the foregoing, entry of the above amendment and allowance of claims 5-9, 12-16, 18 and 20-24 are respectfully requested.

Respectfully submitted,
